

Saleem Jacobson is a one-stop provider of world-class solutions in signage, corporate fashion and safety products. Since commencing operations in Dubai in 1996, we have earned our reputation the old fashioned way: by building enduring relationships through superior quality, customised service, precise delivery and excellent after sales support across all business lines.

Today, **Saleem Jacobson** is proud to have a roster of corporate names from Etihad Airlines, Execujet, Dubai Airports, Jumeirah Group, Aggrekko, Al Naboodah, Lamprell, PetroGulf, Petrofac, Dugas, Premier Inn, Nestle, and not to mention, numerous schools across the UAE.

From custom-design reflecting the culture and brand image of your company, to fine fabric, materials, colour combinations and workmanship, **Saleem Jacobson** has the infrastructure, designers, market leader partners and expert team to nurture your brand's image internally and externally.

'Operating successfully for nearly two decades in the region, we have come to earn the respect of our clients who regard us as partners and stewards of their brands.'
