

safety@work

Customised supply of personal and industrial safety products

Saleem Jacobson has set uncompromising standards in Personal Protective Equipment in the region for nearly two decades.

Employees are constantly exposed to hazards in workplaces. If you believe in safeguarding the health and safety of your workforce, choose Saleem Jacobson for head-to-toe safety gear that conforms to the toughest quality standards and highest levels of safety.

As a one-stop provider of safety equipment, all our products in our Personal Protective Equipment (PPE) range provide optimum protection, and are the results of years of technical research by specialists in each category.

Whatever your needs, we will nurture your reputation as a company that invests in the wellbeing of its employees.

Specialist safety footwear

We are the sole selling agent for Saudi Leather Industries Company Limited (SLIC), an ISO 9001:2008 certified manufacturer of safety, military and casual footwear.

SLIC is world renowned for superb quality craftsmanship of its products with over sixty models to choose from.

SLIC footwear conforms to international safety specifications:
ANSI Z41 PT83 M/75 C/75 BS 1870 and DIN 32768.
